

Jeppesen Terms and Conditions

LIMITED WARRANTY AND DISCLAIMER.

Jeppesen NavData has been developed to meet the need for current aviation information in a computer compatible form required for modern air navigation equipment used under instrument and visual flight conditions. Information contained in the Jeppesen NavData is independently available from publications of the appropriate governing authority.

Jeppesen NavData is designed for use by experienced and knowledgeable pilots who must be thoroughly familiar with and competent in the navigation of aircraft and the air navigation equipment being used. Jeppesen NavData may not contain all navigation data existing worldwide and end-user should make no assumption otherwise. End-user's NavData may contain only a subset of Jeppesen's NavData service. Jeppesen NavData does NOT contain all information necessary to independently conduct instrument or visual flight procedures. Jeppesen NavData must be used in conjunction with the appropriate aeronautical charts and other information available to pilots through a variety of sources. Pilots must conduct flight procedures in accordance with the information depicted on aeronautical charts.

Jeppesen NavData is compiled in accordance with the industry recommended standard for aeronautical data, Aeronautical Radio, Inc. Specification 424, Navigation System Data Base (ARINC 424), and a similar Jeppesen supplemental specification. The equipment manufacturer, NOT JEPPESEN, determines the NavData elements used in their specific air navigation equipment. Jeppesen NavData is transformed into formats and configurations necessary for use in specific air navigation equipment using computer programs designed, developed and controlled by the manufacturer of the air navigation equipment. JEPPESEN MAKES NO WARRANTY, AND SPECIFICALLY DISCLAIMS ANY WARRANTY, WHETHER EXPRESS OR IMPLIED, ARISING BY LAW OR OTHERWISE, AS TO THE PROPER USE, FUNCTION OR COMPLETENESS OF THE NAVDATA IN ANY SPECIFIC AIR NAVIGATION EQUIPMENT, OR IN GROUND BASED COMPUTER SYSTEMS AND PROGRAMS USED TO TRANSFORM NAVDATA INTO FORMATS AND CONFIGURATIONS NECESSARY FOR USE IN SPECIFIC AIR NAVIGATION EQUIPMENT.

Jeppesen expressly warrants for the sole benefit of end-user that it has accurately compiled, reproduced and processed the data obtained from government or other sources into Jeppesen NavData. THIS EXPRESS WARRANTY, WHICH SHALL BE EFFECTIVE ONLY FOR THE APPLICABLE 28-DAY PERIOD FOR WHICH THE NAVDATA IS PRODUCED AND IS EFFECTIVE, IS THE ONLY WARRANTY, EXPRESS OR IMPLIED, ARISING BY LAW OR OTHERWISE, MADE BY JEPPESEN REGARDING ITS NAVDATA. JEPPESEN WILL, AT ITS OPTION, REPAIR OR REPLACE THE NAVDATA RECORD, OR REFUND THE FEES PAID FOR THE NAVDATA RECORD, WHICH FAILS TO MEET THIS WARRANTY. THIS SECTION STATES THE CUSTOMER'S SOLE AND EXCLUSIVE REMEDY FOR BREACH OF WARRANTY.

JEPPESEN MAKE NO WARRANTY, WHETHER EXPRESS OR IMPLIED, ARISING BY LAW OR OTHERWISE, AS TO THE ACCURACY OF THE NAVDATA SOURCE MATERIAL ITSELF, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Except to the extent that Jeppesen is liable under any express warranty set forth herein, end-user will indemnify and hold harmless Jeppesen and its subcontractors from and against all claims and liabilities (including claims by third parties), and costs and expenses (including attorneys' fees), incident thereto or

incident to successfully establishing the right to indemnification, for injury to or death of any person or persons, including employees of end-user but not employees of Jeppesen, or for loss of or damage to any property, including any aircraft, arising out of or in any way relating to end-user's utilization and/or processing of any NavData or any other things provided hereunder, whether or not arising in tort or occasioned by the negligence of Jeppesen, except to the extent of any obligation, liability, claim or remedy in tort due to the recklessness or willful misconduct of Jeppesen. End-user's obligations under this indemnity will survive the expiration, termination, completion or cancellation of these terms and conditions.

EXCLUSION OF CONSEQUENTIAL AND OTHER DAMAGES. IN NO EVENT SHALL JEPPESEN BE LIABLE TO END-USER OR ANY OTHER PERSON FOR INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, EXEMPLARY, PUNITIVE, OR OTHER DAMAGES FROM TORT, CONTRACT, STRICT LIABILITY OR OTHER THEORY ARISING OUT OF ANY CLAIM THAT THE NAVDATA, ANY FLIGHT PROCEDURE OR OTHER OUTSIDE SOURCE MATERIAL IS DEFECTIVE, UNRELIABLE, UNSAFE OR FAILS TO CONFORM WITH ANY GOVERNMENT STANDARD OR REGULATION. SOME STATES DO NOT ALLOW LIMITATIONS ON THE LENGTH OF AN IMPLIED WARRANTY OR THE EXCLUSION OR LIMITATION OF INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSIONS MAY NOT APPLY TO END-USER.

If an arbitration panel or court of competent jurisdiction determines that relevant laws in force may imply warranties and liabilities which cannot be excluded or limited or which can only partly be excluded or limited, then the limit on Jeppesen's liability set forth herein shall apply to the fullest extent permitted by law. If Jeppesen cannot exclude or limit a warranty or liability implied by law, these terms and conditions shall be read and construed subject to such provisions of law.

EXPORT COMPLIANCE. End-user shall be responsible for its compliance with any applicable export control restrictions, laws and regulations as may be modified from time to time, imposed by the governments of the U.S. and, if applicable, other countries. End-user shall not attempt to, or knowingly export or re-export Jeppesen NavData to any country, or national thereof, prohibited from obtaining Jeppesen NavData, either directly or indirectly through affiliates, licensees or subsidiaries of end-user.

GOVERNING LAW. THIS AGREEMENT WILL BE INTERPRETED UNDER AND GOVERNED BY THE LAW OF THE STATE OF COLORADO, U.S.A., EXCEPT THAT COLORADO'S CONFLICTS OF LAWS RULES WILL NOT BE INVOKED FOR THE PURPOSES OF APPLYING THE LAW OF ANOTHER JURISDICTION. THE UNITED NATIONS CONVENTION ON CONTRACTS FOR THE INTERNATIONAL SALE OF GOODS WILL NOT APPLY TO THESE TERMS AND CONDITIONS.
