

Navdata Information Letter 10-03

April 5, 2010

Notice of Upcoming Changes to “Single Memory” Navigation Databases for UNS-1A Compact FMS and UNS-1A FMS with Single Memory

1344-2S	USA
1344-3S	Latin America and USA
1344-4S	Eastern Europe, Europe and Middle East
1344-5S	Eastern Europe, Pacific and Middle East
1344-7S	Africa, Eastern Europe and Europe

Continued growth in the amount of navigation data will soon exceed the memory capacity of UNS-1A Compact FMS or UNS-1A FMS with Single memory.

Specifically, after cycle 1010, effective 23 September 2010 through 20 October 2010, we will discontinue offering 1344-2S and 1344-3S.

In addition, after cycle 1103, effective 10 March 2011 through 6 April 2011, we will discontinue offering 1344-4S, 1344-5S and 1344-7S.

Please contact Universal Avionics Marketing for upgrade information and alternatives.
